A minimum of 21 credit hours is required. Students must take 18 credit hours of required courses (Section I) or equivalent courses. Students must take at least one Engineering Elective (Section II) or an equivalent course. A grade of C or above is required in all courses.

A student must take at least 12 required credit hours in the ECE Department at IUPUI, and cannot count more than nine equivalent credit hours toward the ECE minor.

The minor will be posted to the student's transcript concurrently with the major bachelor's degree.

Ω Students must meet with Academic Advisor before registering for ECE 30200.
