*Prepare well organized, concise answers to the questions below. Suggested length is 175-250 words for each.*

1. In what way is international experience important to your degree program and to your career?

2. In what way is community service important to your degree program and to your career?

3. Suppose that you had agreed to participate in a group project to study the social effects of electronic communication. As part of a group project, you would be required to live 4 full days without any electronic devices: no cell phone, iPod, radio-TV, or computers. Would you find it difficult to cope? Why or why not?

*By signing below I acknowledge that the information provided on this application is correct to the best of my knowledge. I understand that this award is intended solely to support my participation in an approved international program. I agree that, if for any reason I do not in fact participate in the approved program, I must refund any payments that were made in anticipation of my participation.*
