

**DEPARTMENT OF MECHANICAL ENGINEERING, IUPUI  
FACULTY FEEDBACK FORM FOR COURSE OUTCOMES SURVEYS**

Note: This form is to be completed and submitted to the department by instructors at the end of each semester based on the survey results of courses taught. It is designed to monitor student learning, keep track of progress and changes made in the program, and allow faculty reflect upon the results. The survey results may be viewed from the department's survey database at <http://www.engr.iupui.edu/me/assessment/fsurveys.shtml>. The completed form is to be emailed to [cwooton@iupui.edu](mailto:cwooton@iupui.edu) (*note: first save the file locally, then email as an attachment*).

Course: ME 272	Year: 2006	Semester: Fall
Instructor: Amir K. Naghdi	Survey Average: 4.30 (Out of 5)	Faculty Average: 3.367 (Out of 5)

1. List the outcomes that did not meet the Department's current threshold of 3.75 out of 5.0 and explain the reasons. If all or most outcomes in your course are equal to or above 3.75, please reflect upon on the lowest two or three. Please state the outcomes as fully as possible, as in the course outcomes list, with the numbers same as on the list.

All outcomes are above 4.00.

2. Were there any changes made to the course during the semester? If so, explain.

No changes made.

3. Are there any recommendations for improvement?

The students should be, and currently are, encouraged to come to the office for help and ask questions.

4. Additional reflections/suggestions for assessment?

No additional suggestions.

Please email to Courtney Wooton at [cwooton@iupui.edu](mailto:cwooton@iupui.edu). Thanks.
