

**DEPARTMENT OF MECHANICAL ENGINEERING, IUPUI  
FACULTY FEEDBACK FORM FOR COURSE OUTCOMES SURVEYS**

Note: This form must be completed and submitted to the department by instructors at the end of each semester based on the survey results of courses taught. It is designed to monitor student learning, keep track of progress and changes made in the program, and allow faculty reflect upon the results. The survey results may be viewed from the department's survey database at <http://www.engr.iupui.edu/me/assessment/fsurveys.shtml>. The completed form may be sent to the assessment database of the department via e-mail at: **hakay@iupui.edu**.

|                            |                                    |                  |
|----------------------------|------------------------------------|------------------|
| Course: ME 274             | Year: 2005                         | Semester: Spring |
| Instructor: Amir K. Naghdi | Survey Average: 4.04<br>(Out of 5) |                  |

1. List the outcomes that did not meet the Department's current threshold of 3.75 out of 5.0 and explain the reasons. If all or most outcomes in your course are equal to or above 3.75, please reflect upon on the lowest two or three. Please state the outcomes as fully as possible, as in the course outcomes list, with the numbers same as on the list.

All items in the outcome are above 3.75 out of 5.0

2. Were there any changes made to the course during the semester? If so, explain.

No.

3. Are there any recommendations for improvement?

4. Additional reflections/suggestions for assessment?

For the Fall Semester 2005, the type of homework assignments has been changed. Special problems of more challenging are assigned.

Please e-mail to: [hakay@iupui.edu](mailto:hakay@iupui.edu). Thanks.
